The quality of the products is truly impressive, and both dealers and plumbers are highly satisfied. Everyone appreciates the premium quality at a reasonable price, and we are proud to be associated with such a reliable brand.

ओरियो की क्वालिटी और रीज़नेबल प्राइस मार्केट में बहुत जल्दी जगह बना लेती है। आज मेरे जिले में ओरियो का नाम हर डीलर और प्लम्बर की जुबान पर है। कंपनी की 10 साल ऑन-साइट वारंटी से ग्राहक का भरोसा और बढ़ता है।

Vishal Kothari
(Karnataka) 🇮🇳

We have been working with **ORIO** since last 9 years and the quality of the products really good, I recommended everyone to buy **ORIO**, it's totally worth it.

मैं पिछले आठ साल से ओरियो बाथ फिटिंग्स के साथ काम कर रहा हूँ। इनके प्रोडक्ट की क्वालिटी बहुत अच्छी है - मजबूत और टिकाऊ। ग्राहकों से भी अच्छा फीडबैक मिलता है, जिससे मेरा बिजनेस बढ़ा है। कंपनी का सपोर्ट और सर्विस समय पर और भरोसेमंद है।

I have worked with many bathroom fittings companies, but since I joined hands with the **ORIO** brand, I have been exclusively selling **ORIO** bath fittings only. It's a really good product.

Yadav Ji
(Indore MP) 🇮🇳

"मैंने कई ब्रांड्स के साथ काम किया है, लेकिन ओरियो की ब्रास क्वालिटी और अफोर्डेबल प्राइसिंग सबसे बेहतर लगी। हमारे इलाके में अब लोग खुद ओरियो मांगते हैं।"

Sanjiv Kumar Agrawal

(Satna MP) 🇮🇳

ओरियो की सबसे खास बात है - Quality और Pricing का परफेक्ट कॉम्बिनेशन। ग्राहक संतुष्ट रहते हैं, इसलिए बार-बार खरीदते हैं।

Dheeraj Shah
(Bihar) 🇮🇳

I used to sell CP fittings from various companies before, but since I joined Orio, I haven't considered looking back at any other brand. In just a few years, Orio has gained a lot of reputation in our area, and plumbers and customers write the Orio bath fittings brand name on their order page when purchasing fittings.

Sushil Agarwal
(Assam) 🇮🇳

"There was a time when I used to work with other brands, but since I started working with ORIO, my friends, I have never looked back or thought of any other brand. Today, ORIO is the exclusive brand in my showroom."

Samer

Rahul Shrishail Gavandi

मी गेल्या तीन वर्षांपासून ओरियो बाथ फिटिंग्ससोबत जोडलेलो आहे. या काळात मला प्रोडक्टच्या गुणवत्तेत कधीच तडजोड दिसली नाही. आमचे ग्राहक नेहमी समाधानी असतात आणि पुन्हा ऑर्डर देतात. कंपनीची टीम आणि त्यांच्या विक्रीनंतरची सेवा खूपच प्रशंसनीय आहे.

Anand Malviya
(Hyderabad) 🇮🇳

Kulbeer Singh
(Anantnag J&K) 🇮🇳

डीलरशिप लेने से पहले थोड़ा कंप्यूजन था, लेकिन अब मुझे गर्व है कि मैंने ओरियो चुना। कंपनी लिमिटेड डिस्ट्रीब्यूटर पॉलिसी रखती है, जिससे हमें भी प्रॉफिट और मार्केट में रिस्पेक्ट दोनों मिलते हैं।

Shakti Kumar Gupta
(Gorakhpur Up) 🇮🇳

"ओरियो से जुड़ने के बाद ग्राहकों की संतुष्टि और रिपीट ऑर्डर में बढ़ोतरी साफ़ देखने को मिली है।"

Quality Assurance

At Orio Bath Fittings, a division of Mahavir Metal Industries, we believe that quality is not just a feature—it is our foundation. Every faucet and bath fitting we manufacture reflects our unwavering commitment to engineering precision, material excellence, and lasting performance.

Precision Engineering & Premium Raw Materials

100% Virgin Brass

All Orio faucets are made from 100% brass, ensuring high strength and corrosion resistance. With 61% copper content, our products meet global metallurgical standards for optimal durability and anti-crack performance.

Neoperl® Aerators (Germany)

Each Orio faucet is equipped with high-performance Neoperl® aerators for smooth, splash-free water flow, optimized pressure, and water conservation.

Cartridges Tested for 500,000 Cycles

Our spindles and cartridges—sourced from Jamnagar (India) and Germany—are subjected to rigorous testing to ensure durability. Every unit is certified to operate smoothly for over 500,000 open/close cycles, offering years of trouble-free use.

Manufacturing Excellence

Automated CNC Machining

Every component is processed on CNC machines for precision dimensions, perfect threads, and leak-proof assembly.

Triple-Layer Chrome Plating

Our products feature a three-layer electroplated chrome finish (Copper + Nickel + Chrome), offering a mirror-like gloss, corrosion resistance, and long-lasting shine even in hard water conditions.

Advanced Leak Testing

Each product undergoes 100% hydrostatic leak testing at multiple pressure levels before packaging.

Strict Quality Control

In-house Quality testing each and every piece.

Salt Spray Test (450+ hours) to ensure plating endurance.

Surface Roughness & Finish Checks for flawless aesthetics.
